

## NEW TRIAL FOR MCGRATH.

Lower Court Reversed in Case of Col. Roosevelt's Secretary.  
The Appellate Division of the Kings County Supreme Court, today reversed the decision of the lower court and ordered a new trial for John McGrath, Col. Roosevelt's private secretary, who was sentenced to thirty days' imprisonment for assault. Reasons were found in the rulings and the decision was unani-

mous, Justice Rich not voting. McGrath and his cousin, William Powers, were convicted of an assault on Charles Light on June 11, 1915, in a restaurant, after it is alleged, they had assaulted Mrs. Light. Light suffered a broken leg.  
Col. Roosevelt expressed the fullest confidence in his secretary.  
Hauled to Death From "L" Car Platform as Train Is Started.  
A man, in whose coat pocket was

found a pay envelope inscribed "Louis Lelovits, No. 148 East Houston Street," fell from the rear platform of the last car of an express train on the Third Avenue "L" at the One Hundred and Sixteenth Street Station last night and was killed. Passengers said the jerk of the starting train caused him to lose his balance and he toppled over the guard chains. He was about twenty years old, 5 feet 7 inches tall and weighed 140 pounds. He wore a black suit, red sweater and dark cap.

## OFFICIALS OF BRONX TO SERVE FOUR YEARS, RULES HIGHEST COURT

Law Upheld as to Terms of Sheriff, Prosecutor, County Clerk and Register.

Word was received in the Bronx today that the Court of Appeals has decided that the law is constitutional which provides that all the county officers of the Bronx shall serve the full term of four years. Therefore, the Sheriff, District Attorney, County Clerk and Register of Deeds shall hold office one year more.

The Court of Appeals decision was in the case of Sheriff James F. O'Brien, who was elected in November, 1915, to serve four years. He applied for a writ of mandamus to prohibit the Board of Elections from providing for the election of Bronx County officers this fall. Supreme Court Justice Thayer issued the writ, but it was set aside by the Appellate Division.

Judge Pound, writing the Court of Appeals decision, points out that, while a provision of the Constitution limits the terms of county officers to three years, except in some congested centers, there are other constitutional provisions which separate local from State and national elections, and that these provisions control in the Bronx.

"The decision could not have been otherwise," said Arthur H. Murphy, Democratic County Chairman. "The people have twice decided by vote that Bronx County officials shall serve four-year terms. We will now put all our energy in the national and State campaign and make a new record for the Bronx in Democratic victory."

John J. Knewitz, Republican County Chairman, said he had expected this decision.

"Anything else," he added, "would have made an awful mix-up in our Supreme Court Justices and other officers."

There has been very little energy in Bronx County during the campaign, though full tickets were nominated by both parties. The Democrats have nominated for District Attorney Francis Martin, County Clerk J. V. Ganly, Register Edward Polak, and Sheriff William A. Acker. The Republicans nominated for District Attorney, T. Cannon Press; for County Clerk, Louis Castinetti; for Register, William Griffith, and for Sheriff, Charles Fleck.

## TRADE INCENSE FOR BREAD.

Syrians and Armenians Here Aid Their Starving Countrymen.

If you are a Wall Street man—And if to-morrow you are besought to give alms to the starving Syrians and Armenians—

And if the Syrian woman who asks the alms offers you a little leather pouch of incense and a scroll inscribed in Arabic—

Then give, give freely and give quickly, for three hundred Syrian women have been authorized by the Syrian Mount Lebanon Committee to collect money for the starving, and President Wilson has designated Oct. 21 and 22 as the days for giving. In the Arabic scroll are these bits of poetic appeal:

A whiff of frankincense from Syria is a talisman for thee.  
It is worth more than yesterday of thy heart's desire.  
Syria sends thee the incense—her crystallized tears.  
And Syria today weeps for bread.

Snowing and Freezing in Illinois.

CHICAGO, Ill., Oct. 20.—Snow and freezing temperature struck Illinois today. The earliest snow in years fell in the central part of the State, accompanied by a drop in temperature to thirty degrees. Springfield, Peoria and Decatur were among cities that reported heavy snowfalls.

## TROOPS WILL REMAIN AT THE BORDER UNTIL CONFEREES REPORT

If Agreement Is Satisfactory Pershing's Men Will Be Withdrawn.

WASHINGTON, Oct. 20.—No further important relief of border troops is contemplated by the War Department until after the American-Mexican Commission at Atlantic City reaches a decision, it was learned today.

If a satisfactory patrol plan is arranged by the conference, then the War Department intends to withdraw Gen. Pershing's column, and leave the policing of the border to the regular army, it was indicated.

Within a short time the full militia quota will have seen border service, as all orders for such duty have now been issued.

## DIDN'T WING A ZEPPELIN.

Cosmo Hamilton Says He Wasn't in Charge of London Defenses.

To the Editor of The Evening World:

Sir—In the interview with me that appeared in your esteemed paper last evening on the question of my new novel, "The Sins of the Children," there was an error that I shall be very greatly obliged if you will allow me to correct at once.

I was not "in charge" of the air defenses of London, but was merely one of a large number of officers and men

in the service of the Anti-Aircraft Corps of the Royal Naval Air Service and was eventually in command of a section of air stations; nor did I "bring down" the first Zeppelin that flew over London. I merely assisted in firing at her. Such statements as these, well meant as they are, make me a COSMO HAMILTON.

## LADIES' SECRET TO DARKEN GRAY HAIR

Bring Back Its Color and Lustre with Grandma's Sage Tea Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw it through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.
